COMMITTEE ON PETITIONS

GENESIS

The Government of India introduced the Member of Parliament Local Area Development Scheme (MPLAD) in December 1993 to enable legislators to carry out small developmental works through the allocated fund in order to meet the urgent needs of their constituency. MLA LAD Fund as the name suggest is tailored along the lines of MPLAD by the Govt. of Delhi in the year 1994-95 to allow MLAs to attend to the needs of their constituents which are capital in nature. It started with an allocated fund of Rs.1.00 crore per MLA per year, which was revised and increased to Rs.1.40 crore per MLA per year w.e.f. 1999-2000. From the financial year 2000-01, the limit of Rs.1.40 crore has been raised to Rs.1.90 crore per MLA. And from 2004-05, the limit has been further increased to Rs.2.00 crore and w.e.f 2011-12 the limit has been further increased to Rs. 4 crores. In August 2018, the MLA LAD Fund has further increased to Rs. 10 crores per year instead of the existing Rs 4 crore per year for development work in their constituencies.

Under this scheme, each MLA can suggest small works of capital nature which can be done in their constituencies' up to the tune of Rs.10 crores in a year with each individual project not exceeding Rs.5 crore. The works recommended under this scheme should conform to the general pattern of programs and projects being implemented by the local bodies/ departments of Govt. of Delhi.

Mukhya Mantri Sadak Punarnirman Yojana was started in the financial year 2018-19, with the aim to carry out developmental works of roads, lanes/ streets in areas of urban local bodies, group housing societies and regularised unauthorized colonies in order to improve the living conditions of the citizens of Delhi. Under the Scheme, funds are released to the local bodies and executing agencies as per recommendations of the local MLAs.

Due to the similar nature of work, these two schemes are implemented under the aegis of the Urban Development Department (UDD) and executed by the three bodies of Municipal Corporation of Delhi namely, South Delhi Municipal Corporation, North Delhi Municipal Corporation, and East Delhi Municipal Corporation. The MLALAD fund was shifted to the Urban Development

Department in December 2017 from the District Urban Development Agency (DUDA).

Overall, the scheme envisages that MLAs would submit written requests directly to Pr. Secretary, Urban Development Department, GNCTD, for the release of Funds. The estimate will be prepared as per the DSR-2012 adopted by GNCTD vide Pr. Secretary (Finance) Order No. 8/2/2007-A/CD-01295543/2012-13/Exp-4/854-73 dated 12th September 2012. On the basis of the information provided by the MLA as per the given guidelines, funds will be released and placed at the disposal of the executing agency i.e Municipal Corporation of Delhi. The implementing agencies/departments shall utilize the funds in accordance with CPWD Manual and GFRs. The departments/agencies are required to open separate bank accounts for each MLA and the utilization certificates are also required to be furnished after the execution of works or by the end of financial year whichever is earlier, to the Urban Development Department, GNCTD.

On 10.04.2018, the Delhi Legislative Assembly, passed a resolution wherein specific timelines are allocated at every stage of the execution of works so that smooth and timely execution of works is carried out. In the said resolution, the stipulated timeline has been given in tabular form as under:

The estimate of work to be provided to the MLA office	If there is any other proposal for the same work by other entities, the MLA must be informed	The request and process of allocation of funds to an executive agency	Request/Process of preparing NH and inviting Tender	The award of work after finalizing of bids	Execution of work after the award of work
within 21 working days	Within 7 days	within 14 working days	30 days	14 days	90 days

Given the aforementioned multiple agencies involved starting from providing project estimates to the completion of work, it is difficult to comprehend at which stage the delay of work has happened which directly or indirectly hampers the final outcome of the work. Moreover, in the absence of a proper mechanisms to check accountability and efficiency at every stage, often, timelines are violated at several stages of the developmental works. At the end of the day, it is the MLA who is ultimately answerable to its constituents and it is the responsibility of the concerned MLA to ensure that the benefits of the MLA LAD and MSPY funds reach the people at the earliest.

Toward this end, the Committee on Petitions has played a significant role in ensuring that the concerned departments carry out their assigned role at every stage of the work in a timely manner. This report is an endeavour to capture the role of the Committee on Petitions in ensuring that through proper monitoring and resolving of issues at each stage of the developmental works, the concerned agencies/ departments are able to function at its fullest capacity.

INTRODUCTION

1. Sh. Kushal Singh, R/O RZ-73B, H-Block, Gali No.1, Ashok Park, Sagar Pur, Delhi filed a Petition on 31.12.2018 alleging non-compliance by the Commissioner of South Delhi Municipal Corporation (hence forth SDMC) of the Resolution dated 10.04.2018 passed by Delhi Legislative Assembly with respect to the process of execution works under Member of Legislative Assembly Local Area Development (henceforth MLA LAD) Funds and works under “Mukhya Mantri Sadak Punar Nirman Yojna” (henceforth MSPY). 14. The Committee reflected on the meetings held so far with the officers of SDMC on 15.01.2019, 21.01.2019, 01.07.2019, 05.07.2019, 02.08.2019, 03.10.2019 and 11.10.2019 as well the status reports submitted by SDMC, it was noticed that undue delay has happened in the execution of works particularly related to-

- a) Children Play Equipment in Parks
- b) Gazebo in Parks

In respect of the above, the Committee vide letter dated 29.10.2019 suggested that works under MLA LAD Funds should be kept independent of decisions/ approvals of the Standing Committee and should be executed within the Financial Powers delegated to the Commissioner, SDMC which stands at Rs. 5 Crores. The Committee further suggested that as a pilot project, AC-50 can be taken up without waiting for the meeting of the Standing Committee and requested the Commissioner, SDMC, to submit the Action Taken Report on the same by 05.11.2019.

15. Consequently, the Committee noted that the SDMC could not respond as per the stipulated time, therefore, the Committee taking a serious view of the matter sent one more reminder to the Commissioner SDMC to furnish the desired Action Taken Report by 14.11.2019.

In this regard, the Additional Commissioner (Horticulture), SDMC, communicated in written reply dated 13.11.2019, that the execution of the pilot project under AC-50 without waiting for the Standing Committee Meeting stands *“in violation of the CVC office order dated 04.09.2003 and condition No. 19 & 20 of sanction order No. 18B (177)/ AC-50/UD/MLALADS/6VS/2017-18/13882-13897 dated 28.05.2019 & No. 18B(177)/AC-50/UD/MLALADS/6VS/2017-18/19557-19573 dated 08.08.2019, issued from UD Department Govt. of NCT of Delhi, in respect of (AC-50) which stated that “similar nature of work should be treated as a single project and splitting or work is not allowed. The Executive Agency should club all similar nature of work as far as possible at the stage of tendering and similar nature of work may be treated as single projects/proposals”.*”

Therefore, in light of the above, it was reported that all the proposals have been clubbed and put up to the Competent Authority i.e. Standing Committee for approval of the rates and agency. Further, it was reported that the concerned Department is unable to call a separate tender by splitting the work.

16. The Committee observed that the above-written communication did not bear the signature of the Head of SDMC i.e. the Commissioner, who is the

competent authority and to whom the earlier communication was addressed. Therefore, vide letter dated 15.11.2019, the Committee directed the Competent authority to send his written reply. Further, it was requested to present all files related to Children Play equipment and Gazebo before the Committee in the meeting scheduled on 18.11.2019. Furthermore, the Commissioner was requested to be indispensably present at the said meeting.

17. Subsequently, in view of the forthcoming Session of the Delhi Legislative Assembly to be commenced on 02.12.2019, the Committee in a written communication dated 21.11.2019, requested the Commissioner, SDMC, the Principal Secretary, UD, the Additional Chief Secretary, Department of Finance, the Controller of Accounts-cum-Financial Advisor to attend the meeting scheduled on 22.11.2019 so as to conclude the matter and table a Report before the Delhi Legislative Assembly pertaining to *“non-compliance by the Commissioner, SDMC, the Resolution dated 10.04.2018 passed by the Delhi Legislative Assembly with respect to the process of execution of work under MLA Lad Funds and works under Mukhya Mantri Sadak Punar Nirman Yojna”*.

It was further requested that to treat this as the final opportunity for the department concerned to provide all requisite version/ comments on the aforesaid matter.

East Delhi Municipal Corporation

1. Similarly, the Committee vide letter dated 02.07.2019 sought written reply from the Commissioner, East Delhi Municipal Corporation, with regard to the status of developmental works under MLA LAD Funds and Mukhya Mantri Sadak Punar Nirman Yojana in respect of Ghonda Assembly Constituency-66 for estimate requests received from 01.01.18 to 15.06.2019 in the prescribed format by 05.07.2019 positively.
2. In the meeting held on 11.10.2019, the Committee examined the report submitted by EDMC and expressed its displeasure in the reporting format and performance of EDMC. Therefore, in a written communication dated 25.10.2019, directed EDMC to submit the requisite information strictly in the prescribed format latest by 30.10.2019.
3. Accordingly, the EDMC presented the status report of developmental works under MLA LAD Funds and MSPY to the Committee dated 15.11.2019.

The Committee examined the status report of developmental works under MLA LAD Fund and MSPY and accordingly an abstract is placed on record as under:

1. Similarly, the Committee requested the Commissioner, NDMC to submit the status of developmental works under MLA LAD Funds and Mukhya Mantri Sadak Punar Nirman Yojana and requested to attend the Committee meetings on 21.01.2019, 01.07.2019, 05.07.2019 and 11.10.2019.
2. In the meeting held on 11.10.2019, the Committee observed that the report submitted by NDMC was not in conformity with the prescribed proforma. Therefore, the Committee in a written communication dated 25.10.2019, expressed its displeasure and requested NDMC to submit the requisite status report strictly in the format prescribed latest by 30.10.2019.
4. Accordingly, the NDMC presented the status report of developmental works under MLA LAD Funds and MSPY to the Committee on 30.10.2019.

The Committee examined the status report and took serious note of the fact that the status report of the said work was incomplete and not in conformity with the prescribed proforma.

OBSERVATIONS & CONCLUSIONS

1. The stipulated timelines prescribed in the resolution dated 10.04.2018 passed by the Delhi Legislative Assembly has been flouted at every stage of the developmental works undertaken in MLA LAD Funds and Mukhya Mantri Sadak Punar Nirman Yojana by the departments of Delhi Municipal Corporations, Department of Urban Development and Finance Department. This inordinate delay has caused inconvenience and has posed a grave threat to the general public.
2. It is noted that delay on the part of the Department of Urban Development in the clearance of proposals/ estimates received by their department was caused, partially, due to the Model Code of Conduct implemented at the time of General Election 2019.
3. It has been observed that the Department of Urban Development has not been able to submit any status report on the proposal/ estimates received and cleared, despite, having given repeated reminders vide letters dated 02.07.2019, 09.07.2019, 25.07.2019, 01.08.2019, 31.10.2019.
4. The Committee noted that there was a tendency of the Head of Institutions to avoid participation in the proceedings of the Committee without any valid reasons and in particular Ms. Varsha Joshi, Commissioner, NDMC and link officer-in-charge for SDMC, has been making excuses from attending the Committee meetings dated 01.07.2019, 05.07.2019, 02.08.2019, 11.10.2019 and 22.11.2019.
5. It was further observed that inordinate delays for works under Horticulture such as Gazebos, Gym, Swings and other children play equipment in parks have been caused due to clubbing of works across many Assembly Constituency. This increases the total amount beyond the financial powers of the Commissioner, Delhi Municipal Corporations which stands at Rs. 5 crores and therefore requires the approval of the Standing Committee which further lengthens the process of execution of works.

6. Furthermore, it was observed that NDMC could not provide status reports on work execution as per the prescribed format made available to them despite repeated reminders.

RECOMMENDATIONS:

1. The executing agency such as Urban Development Department and Finance Department must maintain a logbook to record and monitor the progress/ delay at all stages of the work and any delay must be communicated immediately to the concerned MLA with reasons and expected timeline of completion.
2. The Urban Development Department should assist in the process of execution of works by putting up all tender notices, submitted bids, and the selected bid on its website. The selected bid will specify the nature of the work, time schedule, and payment details. The Urban Development Department should update the progress report on the work as and when one-fifth of the total payment is made.
3. All concerned departments such as the South Delhi Municipal Corporation, North Delhi Municipal Corporation, East Delhi Municipal Corporation as well as Urban Development Department and Finance Department must develop a mechanism to check the delays happening in clearing the estimates, proposals, and allocation of funds to ensure strict adherence to the guidelines mandated by the Delhi Legislative Assembly 10.04.2019.
4. It should be mentioned in the Annual Confidential Report of Ms. Varsha Joshi, Commissioner, North Delhi Municipal Corporation and link officer-in-charge for South Delhi Municipal Corporation that she avoids meetings of the Committee on Petitions, Delhi Legislative Assembly, without proper and valid reasons.

5. The Committee requests Worthy Chief Secretary of GNCT of Delhi to submit Action Taken Report on the recommendations of the Committee to Legislative Assembly of Delhi within 30 days of adoption of this report.
