Sub: - For creation of post of 430 I.T. Assistants and 240 Data Entry Operators

Sir,

With reference to the subject cited above it is to inform you that Directorate of Education has sent a proposal to the Department of I.T. GNCT of Delhi for outsourcing of 430 I.T. Assistants and 250 Data Entry Operators (Total 680) through M/s ICSIL for a period of 02 Years w.e.f 01/07/2016 to 30/06/2018. I.T. Department has concurred the proposal to the extent of 430 I.T. Assistant and 240 Data Entry Operators (Total 670), only for a period of three months so that the regular posts may be created at the earliest in the schools of Directorate of Education, in the meeting held on 25-11-2016 and minutes of meeting circulated vide 5928-5935 dated 11-11-2016 (attached as Annexure-"A").

Further file was sent to Finance Department for concurrence. FD has observed that outsourcing of staff [430 I.T. Assistants and 240 Data Entry Operators (Total 670)] can be considered after assessed and recommended by AR Department.

It would be pertinent to mention here that the deployment of I.T. Assistants/DEOs has become essential as present functioning is wholly based on online working on computers in the Directorate of Education and same was observed by Hon'ble Minister of Education and also by Director of Education during various visits/inspections of the Schools.

In view of above it would be justified if 430 I.T. Assistants and 240 Data Entry Operators (Total 670) posts are created in the Department for proper and smooth functioning of the Department.

You are, therefore, requested to kindly assess and may recommend the creation of posts of 430 I.T. Assistants and 240 DEOs on regular basis in this Directorate.
